DATO' RAZANI UJANG
Ketua Pengarah Perhutanan
Semenanjung Malaysia
Director-General of Forestry
Peninsular Malaysia

Tahun 2010 merupakan tahun akhir bagi Rancangan Malaysia Kesembilan (2006-2010). Jabatan Perhutanan Semenanjung Malaysia (JPSM) telah menerima peruntukan pembangunan berjumlah RM59.69 juta dan daripada jumlah tersebut, sebanyak RM57.55 juta atau 96.4% telah dibelanjakan untuk melaksanakan projek-projek pembangunan hutan yang dirancang selaras dengan keperluan Negara seperti mana yang digariskan dalam Rancangan Malaysia Kesembilan (2006-2010).

Secara keseluruhannya JPSM telah mencapai kejayaan dalam membelanjakan peruntukan tahun semasa yang menepati single digit shortfall dari segi prestasi perbelanjaan. Sepanjang tempoh tersebut, sebanyak RM91,970,474.42 atau 96.8% di bawah peruntukan pembangunan telah dibelanjakan bagi melaksanakan 11 program pembangunan dengan 43 projek. Program-program pembangunan yang dilaksanakan oleh Jabatan adalah menjurus kepada pengurusan hutan secara berkekalan untuk kepentingan alam sekitar dan pembangunan sosio-ekonomi negara. Ia merupakan satu kejayaan besar kepada JPSM dan ianya terhasil daripada kerjasama erat dan komitmen tinggi yang sedia terjalin di kalangan semua warga Jabatan. Tahniah saya ucapkan dan berharap prestasi baik ini dapat diteruskan di dalam perlaksanaan projek-projek RMKe-10.

Pada tahun 2010, JPSM turut menyambut kempen meningkatkan kesedaran masyarakat untuk menghijaukan bumi dan fokus dunia kepada usaha-usaha mitigasi kesan perubahan iklim serta pengisytiharan alam sekitar.

Sepanjang tahun 2010 menyaksikan banyak isu semasa perhutanan telah dibincangkan dalam forum dan konvensyen di peringkat antarabangsa yang merentasi pelbagai sektor seperti alam sekitar, kepelbagaian biologi, penguatkuasaan dan perdagangan kayu-kayan yang memerlukan penyertaan secara aktif dan komitmen JPSM dalam melaksanakan tugas dan tanggungjawab yang diamanahkan di mana Malaysia sebagai party yang mempunyai kepentingan bersama. Di peringkat antarabangsa, antara forum dan konvensyen utama yang dihadiri ialah *The 16th Conference of Parties (COP16) under the United Nations Framework Convention on Climate Change (UNFCCC)*, *Oslo Climate & Forest Conference*, *Bonn United Nations Climate Change Talks*, *The 15th Conference of Parties (COP15) under the CITES*, *The 10th Conference of Parties (COP10) under the Convention of Bio-Diversity (CBD)*, *The XIII Commonwealth Forestry Conference & World Forestry Congress*, *The 1st Ministerial Conference on Tiger Conservation*, dan *The 46th Session of the International Tropical Timber Council (ITTC) and Associated Session of the Committees*. Bagi peringkat serantau pula, antara mesyuarat dan bengkel utama yang dihadiri ialah Senior Official Meeting (SOM) & Ministerial Level

The year 2010 coincides with the final year of the Ninth Malaysia Plan (2006-2010). The Forestry Department Peninsular Malaysia (FDPM) received a development budget amounting to RM59.69 million. A total of RM57.55 million or 96.4% of the allocated budget was duly spent to implement numerous forest development projects planned in the Ninth Malaysia Plan in consonance with the national requirements.

As a whole, FDPM has achieved significant success in budget expenditure that fulfills the requirement of a single digit shortfall. For the whole of the Plan period, a total of RM91,970,474.42 representing 96.8% of the development budget allocated has been duly spent to implement 11 development programmes comprising 43 projects. These development programmes implemented by the Department were aimed at realising sustainable forest management in ensuring environmental protection and enhancing socio-economic development of the country. This success in budget expenditure is indeed a significant achievement to FDPM and it is the result of close cooperation and high commitment demonstrated by officers at all levels. Congratulations to all and I sincerely wish that this excellent performance can be continued in the implementation of the development projects in the 10th Malaysia Plan.

In 2010, FDPM also organised and participated in numerous campaigns to enhance public awareness on greening the earth and the world focus on initiatives to mitigate the impacts of climate change and environmental declaration.

Many current and cross-cutting issues on forestry covering environment, biological diversity, enforcement and timber trade were discussed in international fora and conventions. It warrants active participations and commitments from FDPM in carrying out her duties and responsibilities especially so where Malaysia is an interested party. At international level, amongst the important fora and conventions attended are The 16th Conference of Parties (COP16) under the United Nations Framework Convention on Climate Change (UNFCCC), Oslo Climate & Forest Conference, Bonn United Nations Climate Change Talks, The 15th Conference of Parties (COP15) under the CITES, The 10th Conference of Parties (COP10) under the Convention of Bio-Diversity (CBD), The XIII Commonwealth Forestry Conference & World Forestry Congress, The 1st Ministerial Conference on Tiger Conservation, and The 46th Session of the International Tropical Timber Council (ITTC) and Associated Session of the Committees. While at the regional level, the various important meetings and workshops attended are Senior Official Meeting (SOM) & Ministerial Level Meeting of Forest Eleven (F-11), 23rd Session of the Asia-Pacific Forestry Commission (APFC), The 13th Meeting of the ASEAN Senior Officials on Forestry (ASOF) and Its Related Meeting, The 31st ASEAN Ministry of Agriculture & Forestry (AMAF) & Its Related Meeting, The 4th Meeting of the ASEAN Social Forestry Network

Meeting of Forest Eleven (F-11), 23rd Session of the Asia-Pacific Forestry Commission (APFC), The 13th Meeting of the ASEAN Senior Officials on Forestry (ASOF) and Its Related Meeting, The 31st ASEAN Ministry of Agriculture & Forestry (AMAF) & Its Related Meeting, The 4th Meeting of the ASEAN Social Forestry Network (ASFN), The 9th Meeting of Working Group on a PAN ASEAN Timber Certification Initiative, The Meeting of APfNET Focal Points within APEC Region, The 9th Meeting of the ASEAN Experts Group on International Forest Policy Processes (AEG-IFPP), dan ASEAN High Level Workshop on the Implementation ASEAN Multisectoral Framework on Climate. Penyertaan JPSM di arena antarabangsa ini telah membawa JPSM ke era baru dalam penggubalan dasar mahupun membuat keputusan.

JPSM telah melaksanakan Kempen Menanam 26 Juta Pokok di seluruh negara. Usaha ini adalah untuk menanam 26 juta pokok dalam tempoh 2010-2014. Kempen yang bertemakan 'Hijaukan Bumi: Satu Warga Satu Pokok' telah dilancarkan pada 22 April 2010 oleh YB Menteri Sumber Asli dan Alam Sekitar di Putrajaya. Sehingga akhir Disember 2010, sejumlah 5.68 juta pokok yang melibatkan kawasan seluas 3,079 hektar telah berjaya ditanam. Usaha murni ini turut disokong oleh pihak swasta melalui program Corporate Social Responsibility (CSR) syarikat tersebut.

Kempen ini turut disokong dengan Sambutan Hari Perhutanan Sedunia Peringkat Kebangsaan Ke-39 yang telah diraikan di Taman Eko Rimba KL pada 21 Mac 2010. Tema sambutan kali ini ialah 'Sayangi Hutan'. Tema tersebut membawa maksud yang amat mendalam yang menyeru semua rakyat untuk berusaha ke arah menyayangi, menghargai, memelihara dan melindungi sebaik mungkin sumber hutan yang amat bernilai. Sambutan kali ini telah dilaksanakan dengan kerjasama Menara Kuala Lumpur Sdn. Bhd..

Program Penanaman Pokok Bakau dan Spesies-spesies Yang Sesuai Di Pesisiran Pantai Negara dari tahun 2005 hingga 2010, JPSM bersama-sama dengan Jabatan Perhutanan Sabah, Jabatan Hutan Sarawak dan Badan-badan Bukan Kerajaan (NGOs) telah berjaya menanam melebihi 5.86 juta pokok bakau dan spesies-spesies lain yang melibatkan kawasan seluas 2,258 hektar. Pada tahun 2010 sahaja, sebanyak 930,995 pokok telah ditanam yang melibatkan perbelanjaan sejumlah RM4.69 juta dan kawasan seluas 428.8 hektar.

JPSM turut menerajui usaha dalam mengumpul maklumat-maklumat baru kepelbagaian biologi hutan. Di sepanjang tahun 2010, JPSM telah menganjurkan beberapa siri seminar ekspedisi saintifik. Di antaranya adalah tiga (3) siri Seminar Ekspedisi Saintifik Kepelbagaian Biologi Hutan dan satu (1) Seminar Kebangsaan Pemuliharaan Hutan Pesisiran Pantai Negara 2010. Selain daripada itu, Ekspedisi Saintifik Kepelbagaian Biologi Hutan Gunung Besar Hantu, Lata Kijang, Negeri Sembilan telah dijalankan pada 3-7 Mei 2010. Di samping itu, dua (2) buku prosiding masing-masing untuk Seminar Ekspedisi Saintifik Kepelbagaian Biologi Hutan Simpan Bintang Hijau, Perak dan Hutan Simpan Gunung Angsi, Negeri Sembilan telah diterbitkan.

(ASFN), The 9th Meeting of Working Group on a PAN ASEAN Timber Certification Initiative, The Meeting of APfNET Focal Points within APEC Region, The 9th Meeting of the ASEAN Experts Group on International Forest Policy Processes (AEG-IFPP), and ASEAN High Level Workshop on the Implementation ASEAN Multisectoral Framework on Climate. The participation in international arena has enabled FDPM opening new era in both policy formulation and decision making.

The Campaign on the Planting of 26 Million Trees was organised by FDPM throughout the country. This campaign which aims at planting 26 million trees from 2010 to 2014 with the theme "Greening the Earth: One Citizen One Tree" was launched by the Hon. Minister of Natural Resources and Environment in Putrajaya on 22 April 2010. As at the end of December 2010, a total of 5.68 million trees were successfully planted covering an area of 3,079 ha. This noble effort has received encouraging support from private sector through their respective programmes on Corporate Social Responsibility (CSR).

This campaign was also complemented with the 39th National Level World Forestry Day Celebration that was held in KL Forest Eco-Park on 21 March 2010. The theme for the celebration is "Love the Forests". It carries deep meaning and calls on everyone to work their fullest to love, value, conserve and protect the invaluable forest resources. The celebration this year was organised with the cooperation from Kuala Lumpur Tower Sdn. Bhd..

On the Programme for the Planting of Mangroves and Other Suitable Species Along the National Coastlines, a total of 5.86 million seedlings of mangroves and other species covering an area of 2,258 hectares have been jointly planted by FDPM, Sabah Forestry Department, Sarawak Forest Department and Non-Government Organisations from 2005 to 2010. In 2010 alone, a total of 930,995 seedlings were planted involving an area of 428.8 hectares and an expenditure of RM4.69 million.

The gathering of new information on the forest biological diversity remained a main thrust of FDPM. Several seminars were conducted throughout 2010. Amongst these are three (3) seminars on the Scientific Expeditions of Forest Biological Diversity and a National Seminar on the Conservation of Coastal Forests 2010. In addition, the Scientific Expedition on the Forest Biological Diversity of Gunung Besar Hantu, Lata Kijang, Negeri Sembilan was also organised on 3-7 May 2010. Two proceedings respectively for the Seminars on the Scientific Expedition of Forest Biological Diversity of Bintang Hijau Forest Reserve, Perak and that of Gunung Angsi Forest Reserve, Negeri Sembilan were also duly published.

The FDPM has taken a major step forward in strengthening forest management and administration with the appointment of the Director of Forestry, Federal Territory of Kuala Lumpur.

JPSM terus melangkah ke hadapan ke arah mengukuhkan pengurusan dan pentadbiran hutan dengan perantaraan Pengarah Perhutanan Wilayah Persekutuan Kuala Lumpur. Lantikan ini adalah untuk meningkatkan keberkesanan kawalan ke atas operasi, pembangunan dan penjana hasil hutan di Wilayah Persekutuan Kuala Lumpur. Selaras dengan usaha untuk merealisasikan Wawasan Jabatan, JPSM telah berjaya menyediakan beberapa Standard Operating Procedures (SOPs) dalam menangani isu pembalakan haram yang merupakan isu dan tumpuan utama Jabatan dalam mencapai sasaran Pembalakan Haram Sifar menjelang tahun 2016. Usaha ini dilaksanakan dengan merangka Pelan Tindakan Menangani Pembalakan Haram Sifar 2011 hingga 2015 dan melancarkan satu Deklarasi Cherating 2010 yang menyatakan komitmen bersama warga JPSM dalam membanteras pembalakan haram di Semenanjung Malaysia. Deklarasi ini telah menjadi lipatan sejarah JPSM yang penting dalam memaparkan *product leadership* iaitu kepimpinan di dalam penawaran program yang futuristik, *unconventional*, *innovative* dan yang lebih berbentuk *collaborative* terhadap desakan pencapaian yang bukan sekadar *output*, tetapi lebih kepada *outcome*. Usaha ini penting dan perlu dihargai, tetapi hasil, kesan dan impaknya adalah lebih utamakan.

Pada tahun ini juga, Ibu Pejabat Perhutanan Semenanjung Malaysia telah mempergiatkan amalan 5S dan telah berjaya mendapat pensijilan 5S secara serentak bersama dengan semua jabatan/ agensi di bawah NRE pada 17 Ogos 2010. Syabas diucapkan kepada semua warga perhutanan di atas kejayaan cemerlang ini.

Akhir kata, saya ingin mengambil kesempatan ini untuk memaklumkan juga beberapa kejayaan lain yang diperolehi oleh JPSM di peringkat NRE sepanjang tahun 2010. JPSM adalah Johan dalam Pertandingan Koir; Naib Johan Anugerah Pengurusan Pembayaran Bil 14 hari Terbaik bagi Kategori: Melebihi 1 Pusat Tanggungjawab (PTJ); tempat ke-3 Festival Lagu-Lagu Dakwah 2010; dan tempat ke-3 Pertandingan Senamrobik. JPSM juga merupakan antara lima (5) agensi atau Jabatan yang berjaya melaksanakan Modul-Modul KPI HRMIS Tahun 2010. Tahun ini juga merupakan sambutan ke-71 penerbitan Laporan Tahunan JPSM. Sepanjang tempoh tersebut, Laporan ini telah mengalami pelbagai perubahan, antaranya dari segi isi kandungan, persembahan, warna, saiz dan bahasa. Saya juga ingin merakamkan sekalung penghargaan kepada semua warga JPSM yang telah memberikan sumbangan dan komitmen yang berterusan dalam usaha Jabatan menuju kecemerlangan perkhidmatan yang diamanahkan. Saya juga mengucapkan terima kasih kepada NRE dan semua agensi di bawahnya serta NGOs dan individu-individu di atas segala kerjasama dan sokongan yang diberikan kepada Jabatan sepanjang tahun 2010.

Ucapan penghargaan juga saya tujukan kepada Jawatankuasa Editorial Penyediaan Laporan Tahunan di atas usaha gigih dalam memastikan Laporan Tahunan ini diterbitkan mengikut jadual perancangan yang ditetapkan. Saya berharap Laporan Tahunan ini dapat merekodkan segala usaha yang telah dijalankan dan kejayaan yang dicapai oleh JPSM dalam tahun 2010.

This appointment will enable better control over forest operations, development and revenue generation in the Federal Territory of Kuala Lumpur. In consonance with the efforts to better achieve the Vision of the Department, several Standard Operating Procedures (SOPs) were duly formulated to address the various issues on illegal logging which remained a prime concern of the Department in her quest to attain the target of Zero Illegal Logging by 2016. This is done through the formulation of the Action Plan on Zero Illegal Logging, 2011 - 2015 and the adoption of the Cherating Declaration 2010 that reemphasised the commitment of all personnel of FDPM in combating illegal logging in Peninsular Malaysia. This Declaration is indeed historic for FDPM in that it portrays product leadership, i.e. a leadership that offers options which are futuristic, unconventional, innovative and more collaborative in realising achievement targets that accord emphasis on outcomes rather than outputs of each course of actions taken. This is indeed an important and noble effort, but its eventual results and impacts are what counted the most.

In the same year, the FDPM Headquarters has taken on board the implementation of 5S. In this regard, FDPM, in line with other departments/ agencies of NRE, has successfully implemented the requirements of 5S and was certified on 17 August 2010. I wish to congratulate all personnel for this excellent achievement.

Before I conclude, I wish to take this opportunity to inform that the Department's participation in activities at the ministry level in 2010 has similarly met with success. Most notably, FDPM emerged champion in the Choir Competition, runner-up in competition for the Best Achiever for the Award in the Management of Bill Payment within 14 Days under the Category Exceeding Single Payment Centre, and third placing in both the Religious Hymns Competition 2010 and Aerobics Competition. FDPM is also amongst the five (5) agencies that has successfully implemented the modules of KPI HRMIS in 2010. Incidentally, this year is also the 71st anniversary for the publication of FDPM Annual Reports. Over this time period, the Report has undergone many changes, ranging from its contents, presentation, colour, size to languages. I wish to convey my utmost appreciation to all FDPM personnel for their contributions and continued commitments in assisting the Department progressing towards service excellence. I am very grateful to NRE and all related agencies, as well as NGOs and individuals for their kind support and cooperation rendered throughout 2010.

My utmost appreciation to the Annual Report Editorial Committee for their persistent efforts in ensuring that the Annual Report is duly published. I sincerely hope that this Annual Report has aptly recorded all efforts undertaken and achievements made by the FDPM in 2010.

PERUNTUKAN PERLEMBAGAAN, DASAR DAN UNDANG-UNDANG

Constitutional Provisions, Policy And Legislations

I. PERUNTUKAN PERLEMBAGAAN

Di bawah Perkara 74(2) Perlembagaan Malaysia, perhutanan adalah di bawah kuasa Kerajaan Negeri. Oleh yang demikian, setiap negeri berkuasa untuk menggubal undang-undang di sektor perhutanan dan dasar perhutanan tersendiri. Pihak Berkuasa Persekutuan hanya memberi nasihat dan bantuan teknikal kepada negeri, penyelenggaraan stesen-stesen percubaan dan demonstrasi, latihan dan penyelidikan.

Bagi memudahkan penyelarasan dan penyeragaman dalam bidang perhutanan, Majlis Perhutanan Negara (MPN) telah ditubuhkan pada 20 Disember 1971 oleh Majlis Tanah Negara. Dalam konteks ini, MTN diberi kuasa di bawah Perlembagaan Malaysia untuk menggubal dasar kebangsaan bagi memajukan dan mengawal penggunaan tanah untuk perlombongan, pertanian dan perhutanan. MPN merupakan forum antara Kerajaan Persekutuan dan Negeri bagi membincangkan masalah dan isu berhubung dengan dasar perhutanan, pentadbiran dan pengurusan. Semua keputusan MPN perlulah disahkan oleh MTN. Tanggungjawab untuk melaksanakan keputusan MPN adalah menjadi tugas Kerajaan-kerajaan Negeri kecuali jika ianya di bawah bidang kuasa Kerajaan Persekutuan.

II. DASAR DAN PERUNDANGAN

Pada tahun 1977, Dasar Perhutanan Negara (DPN) telah diluluskan oleh MPN dan kemudian disahkan oleh MTN pada 19 April 1978. Dasar tersebut telah dikaji semula pada 10 November 1992 atas kesedaran yang ditunjukkan oleh masyarakat dunia terhadap kepentingan pemeliharaan kepelbagaian biologi dan penggunaan sumber genetik secara berkekalan serta peranan masyarakat dalam pembangunan perhutanan. Penerimaan dasar tersebut merupakan suatu kejayaan

I. CONSTITUTIONAL PROVISIONS

Under Article 74(2) of the Malaysian Constitution, forestry comes under the jurisdiction of the respective State Governments. As such, each state is empowered to enact laws on forestry and to formulate forest policy independently. The executive authority of the Federal Government only extends to the provision of advice and technical assistance to the states, the maintenance of experimental and demonstration stations, training and research.

In order to facilitate the adoption of a coordinated and common approach to forestry, the National Forestry Council (NFC) was established on 20 December 1971 by the National Land Council (NLC). In this context, NLC is empowered under the Malaysian Constitution to formulate a national policy for the promotion and control of the utilization of land for mining, agriculture and forestry. The NFC serves as a forum for the Federal and the State Governments to discuss and resolve common problems and issues relating to forestry policy, administration and management. All the decisions of the NFC have to be endorsed by the NLC. The responsibility for implementing the decisions of the NFC lies with the State Governments unless it is within the authority of the Federal Government.

II. POLICY AND LEGISLATIONS

In 1977, the National Forestry Policy (NFP) was approved by the NFC and later endorsed by the NLC on 19 April, 1978. This Policy was revised on 10 November 1992 to take cognizance of the concern expressed by the world community on the importance of biological diversity conservation and the sustainable utilization of genetic resources, as well as the role of local communities in forest development. The acceptance of the Policy is a

memperkokuhkan asas perlembagaan dan mengeratkan kerjasama dan persefahaman di antara Kerajaan Persekutuan dan Kerajaan Negeri dalam pembangunan sektor perhutanan.

Selain dari Akta Perhutanan Negara 1984 (Pindaan 1993) dan Akta Industri Berasas Kayu 1984 terdapat juga undang-undang lain yang penting dan ada kaitan dengan sektor perhutanan seperti:

- Kanun Tanah Negara 1965;
- Kanun Keseksaan (FMS Cap.45), 1948 (Pindaan 1993);
- Kanun Acara Jenayah (FMS Cap.6), 1903 (Pindaan 1995);

- Enakmen Perlombongan 1926;
- Akta Kerajaan Tempatan 1976;
- Akta Biokeselamatan 2007.

major breakthrough in strengthening the institutional base and enhances the cooperation and understanding between the Federal and State Governments in the field of forestry sector development.

Other legislations which are considered of major importance to the forestry sector apart from the National Forestry Act, 1984 (Amended 1993) and the Wood-based Industries Act, 1984 are as follows:

- *National Land Code 1965;*
- *Penal Code (FMS Cap.45), 1948 (Amendment 1993);*

IMBASAN SEPANJANG TAHUN 2010

Year Under Review, 2010

I. SUMBER HUTAN

Pada akhir tahun 2010, kawasan berhutan di Semenanjung Malaysia merangkumi 5.86 juta hektar atau 44.5% daripada jumlah keluasan tanah seluas 13.18 juta hektar.

Daripada jumlah ini, seluas 4.92 juta hektar atau 83.9% telah diwartakan sebagai Hutan Simpanan Kekal (HSK) di bawah Akta Perhutanan Negara, 1984. Kawasan HSK ini diuruskan di bawah prinsip pengurusan hutan secara berkekalan untuk kepentingan ekonomi, sosial dan alam sekitar.

II. PENGURUSAN SUMBER HUTAN

Sumber hutan asli di dalam HSK terdiri daripada tiga jenis hutan utama iaitu Hutan Darat, Hutan Paya Gambut dan Hutan Paya Laut yang telah diurus secara sistematik selama 109 tahun semenjak 1901.

Kriteria dan Petunjuk Pensijilan Pengurusan Hutan Malaysia merupakan satu piawaian untuk pensijilan pengurusan hutan yang berasaskan Kriteria dan Petunjuk ITTO, iaitu MC&I (2001) dan kemudiannya ditambahbaik berdasarkan Prinsip dan Kriteria Forest Stewardship Council [MC&I (2002)] terus menjadi alat pengukur kepada pencapaian matlamat pengurusan hutan secara berkekalan.

Kesemua lapan (8) negeri yang melaksanakan pensijilan pengurusan hutan telah menjalani audit pemantauan seperti yang dirancang. Sebanyak tujuh (7) negeri iaitu Johor, Kedah, Negeri Sembilan, Pahang, Perak, Selangor dan Terengganu telah memenuhi kesemua syarat di bawah standard ini dan pensijilan terus dikekalkan.

III. PEMBANGUNAN SUMBER HUTAN

Usaha-usaha gigih diteruskan untuk memastikan sumber hutan terpelihara dan fungsinya dalam pengeluaran barangan dan perkhidmatan hutan dapat dipertingkatkan dan dimanfaatkan secara berkekalan.

I. FOREST RESOURCES

At the end of 2010, forested land accounted for 5.86 million hectares or 44.5% of Peninsular Malaysia's total land area of 13.18 million hectares.

Out of this total, 4.92 million hectares or 83.9% have been gazetted as Permanent Reserved Forests (PRFs) under the National Forestry Act, 1984. These PRFs are managed under the sustainable forest management principles for economic, social and environmental benefits.

II. FOREST RESOURCE MANAGEMENT

The natural forest resources of Peninsular Malaysia are classified into three main forest types, namely the Inland Forests, Peat Swamp Forests and Mangrove Forests which have been managed systematically for the last 109 years since 1901.

The Malaysian Criteria and Indicators that are standards for forest management certification was developed based on ITTO's Criteria and Indicators [MC&I (2001)] and subsequently enhanced using the Principles and Criteria of the Forest Stewardship Council [MC&I (2002)] shall continue to be the assessment tools for achieving sustainable forest management.

All the eight (8) states implementing the forest management certification have undergone the planned surveillance audits. Seven (7) states, namely Johore, Kedah, Negeri Sembilan, Pahang, Perak, Selangor and Terengganu have fulfilled all conditions under the standard and continued to be certified.

III. FOREST RESOURCE DEVELOPMENT

Concerted efforts will continue to be intensified to ensure that the forest resources are conserved and their functions to produce forest goods and services are sustained and their benefits realised in perpetuity.

Peruntukan daripada Kerajaan Persekutuan dan Negeri akan terus disalurkan bagi membiayai pelaksanaan program-program pembangunan hutan.
